*You've had a Lakewood guitar for a long time and now you cannot find it within our guitar range? Maybe you are luckier here. . . This is a list of older guitar models that have been taken out of the series program. Most of them are still available via our customshop.*
*In this guitar meet woods from very different regions of our earth. Cedar from Canada, elm from Germany, koa from Hawaii, cedro from Bolivia and ebony from Cameroon. This melange has a high visual appeal and impresses with an open and dynamic sound. The instrument is finely tuned with the built-in L. R. Baggs Anthem system and Gotoh 510 tuners and is impatiently waiting for your very personal approach.*
