You've had a Lakewood guitar for a long time and now you cannot find it within our guitar range? Maybe you are luckier here. . . This is a list of older guitar models that have been taken out of the series program. Most of them are still available via our customshop.
Not well-behaved and tame - but rocking and cheeky! As the "black sheep" of our family, she stands out and yet at heart she is just as much a part of us as everyone else. Whether white or black - it's the inner values that count!
