Our Natural Series is all about natural beauty! Wood and form speak for themselves and can be appreciated by touch. Simplicity, utility and highest quality are combined in an unbeatable, conscious understatement.
This guitar demands to be played—and seen! The neck joint at the 12th fret makes it even more agile and gives it a faster response. This turns the dreadnought into an absolute workhorse for your sound. Balanced and transparent, yet with the rich bass you expect from a dreadnought. The two-tone sunburst top harmonises beautifully with the dark rosewood back and sides, our 5 mm Bicolore Dots adorn the ebony fingerboard, and the mahogany bindings blend seamlessly into the overall design. Simply delicious!
