You've had a Lakewood guitar for a long time and now you cannot find it within our guitar range? Maybe you are luckier here. . . This is a list of older guitar models that have been taken out of the series program. Most of them are still available via our customshop.
Lakewood full nut. . . that's how you could put it when talking about the M-25 Edition 2022. The top, back, sides, fingerboard, bridge and headstock of this guitar are made of expressive walnut.
