*You've had a Lakewood guitar for a long time and now you cannot find it within our guitar range? Maybe you are luckier here. . . This is a list of older guitar models that have been taken out of the series program. Most of them are still available via our customshop.*

*The M-32-12 has been replaced by the M-32-12 CP in summer 2008, because there was a great demand for cutaway/pickup version.*
