You've had a Lakewood guitar for a long time and now you cannot find it within our guitar range? Maybe you are luckier here. . . This is a list of older guitar models that have been taken out of the series program. Most of them are still available via our customshop.
The "New Century II" was a limited edition from 2003 until 2005. It was the follow-up of the succesful "New Century I", which introduced the magic symbols for the first time.
